Dear Principal,

I am excited to apply for the [Cloud Engineer] position at [Zensor]. With a Bachelor of Engineering in Mechanical Engineering and experience as a Junior Software Developer, I have honed my skills in developing efficient applications and APIs.

At Autointelli, I developed over 15 REST APIs, implemented CI/CD pipelines, and maintained PostgreSQL databases, achieving significant improvements in performance and user engagement. I am proficient in Python, Django, Flask, Docker, and AWS, along with strong leadership and problem-solving abilities.

I am eager to bring my technical expertise and collaborative spirit to [Company Name]. Thank you for considering my application. I look forward to discussing how I can contribute to your team.

Best,

Christal Selvin

Sincerely,

Christal Selvin
